---

On August 23, 1994, Mr. Jack W. Gardner (Gardner) filed a request for hearing before the Public Service Commission of South Carolina (the Commission) concerning his high bill complaint against Duke Power Company (Duke). The Commission found that a hearing should be held to consider the matter.

Pursuant to Order No. 94-1049, Gardner was ordered to file twenty-five (25) copies of his testimony and exhibits with the Commission on or before January 24, 1995. Gardner has failed to do so.

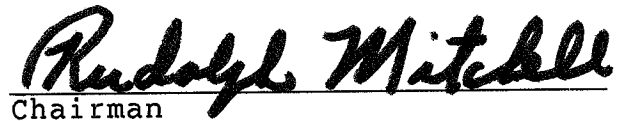

The Commission has examined this matter and believes that Gardner should file his testimony and exhibits with the Commission, and serve them on the parties within five (5) days of his receipt of this Order, or his complaint may be subject to

dismissal by the Commission.

Also, in Order No. 94-1049, Duke was ordered to prefile with the Commission its testimony and exhibits, and serve on the parties on or before February 7, 1995. We modify our Order, and grant Duke an extension of seven (7) days from its receipt of Gardner's testimony to prefile its testimony and exhibits with the Commission, and serve said testimony and exhibits on the parties.

This Order shall remain in full force and effect until further Order of the Commission.

BY ORDER OF THE COMMISSION:

  
Chairman

ATTEST:

  
Executive Director

(SEAL)
